FSC® Forest Management Annual Surveillance Audit

Burns Lake Community Forest,

in

Burns Lake, British Columbia, Canada

Introduction

Preferred by Nature is conducting an FSC® forest management and chain of custody annual audit of Burns Lake Community Forest located in Burns Lake, British Columbia, Canada. The evaluation will be conducted **September 22 – 23rd, 2021**.

Scope of Evaluation

The FSC® certification audit will assess the environmental, silvicultural, and socioeconomic aspects of the forest management unit managed by Burns Lake Community Forest, using the FSC FM British Columbia Standard. To obtain a copy, please visit: <https://ca.fsc.org/preview.bc-standard.a-829.pdf>

Information on this FSC certificate holder is available on FSC's website:

<https://info.fsc.org/details.php?id=a0240000005sUvRAAU&type=certificate>

Preferred by Nature is accredited by the Forest Stewardship Council® (FSC) and this evaluation will follow procedures which have been approved by the Forest Stewardship Council®.

Team Composition

James Hallworth, RPF., will lead the audit team which also consists of James Lucas, RPF.

Date of notice : August 9, 2021

Steps and Schedule

Following is a short description of the evaluation process and a tentative agenda:

- Field visits – During the week of September 21st, 2021, the audit team will conduct field visits of recent and active forest management operations on the certified area.
- Stakeholder consultation – Throughout the fieldwork, the team will contact local stakeholders regarding the forest management activities of Burns Lake Community Forest in communities surrounding the forest area. This can include private interviews and discussions as well as public meetings.
- Final evaluation briefing – Prior to departure the team will meet with the Burns Lake Community Forest manager and other parties to finalize their data collection and present preliminary findings.
- Draft report production – The audit team will produce a confidential draft report that will be circulated for comment to the Burns Lake Community Forest. This should occur within one month after completion of the evaluation.
- Certification decision – Upon receipt of comments on the draft report from the Burns Lake Community Forest manager, and other general stakeholder and community comments, Preferred by Nature will reach a certification decision. Barring unforeseen obstacles, this should occur by end of November 2021.

Your Comments Sought

As a part of the audit process, we invite stakeholders and Indigenous communities/peoples to offer comments on the certificate holder's forest management activities in relation to conformance with the requirements of the forest management standard referenced above. **We welcome input, either public or confidential.** Your input will be valuable at any stage of the process, but we would prefer to receive your comments before the end of the on-site audit so that we can take them into consideration in reaching a certification decision. Your options for communicating your comments are as follows:

1. Speak with a Preferred by Nature audit team member before or during the audit.
2. Send comments to the Preferred by Nature staff person responsible for coordinating this audit (see contact info below)

Unless you request otherwise, these comments will be kept confidential, available only to FSC and Preferred by Nature staff. Preferred by Nature's complaints, appeals and dispute resolution policy is available to stakeholders and Indigenous communities/peoples at www.preferredbynature.org.
