

FSC™ Forest Management Expert Course

Online Course – LIVE SESSIONS March 15, 17 & 22, 24 (GMT+7)

Learn to read the mind of your FSC auditor - or become one yourself! Our intensive FSC Expert trainings will equip you with the mindset and knowledge of an FSC auditor. Join our accredited FSC FM online course to fulfil formal FSC Forest Management auditor training requirements whilst gaining useful insight into the FSC FM system!

This FSC FM course consists of an **online content @Preferred by Nature Training Hub**, followed by **a 4-day intensive live sessions Training @Zoom**, covering the **FSC standards** and **systems** for **Forest Management certification**.

This FSC FM course is conducted in **English**. Please ensure that your language skills will allow you to fully engage in presentations, group exercises, discussions and examinations.

FSC requirements for remote auditor training

Based on the derogation FSC-DER-2020-04 published on 23 April 2020, FSC currently allows to replace in-person auditor trainings with remote courses.

Preferred by Nature's online FSC FM course is a customised auditor training to meet the training demand during COVID-19 pandemic, considering the travel and safety restrictions, without reducing the quality of our regular in-person auditor trainings held worldwide.

The content and duration of the training will meet all the standard FSC requirements for auditor trainings and at the same time be adjusted to be presented and acquired via different virtual tools and training methods. To enable everybody to participate actively in the live sessions and group work, the maximum number of places is 12.

Obtaining an FSC Auditor Training Certificate

Conditions for successful completion of the course are following*:

- Completion of online modules at Preferred by Nature Training Hub
- Completion of self-study webinars at Preferred by Nature Training Hub
- Active attendance at live training sessions
- Successful completion of exam

Students must be present in 95% of live training sessions, actively engaged throughout the whole course and have participated in individual and group exercises.

**For the participants who are not looking to acquire the auditor qualification the exam and online modules' completion is voluntary. Regardless, we would highly recommend to complete the online part of the course beforehand as it will aid to a better understanding of content and overall learning experience at the live sessions.*

FSC™ Forest Management Expert Course

Online Course – March 15, 17 & 22, 24 (GMT+7)

Trainers

MALORY WESTON

Lead-trainer

Lead Auditor, Australia

Malory is the Manager of Preferred by Nature's (PbN) Oceania sub-region and has been working with PbN since 2015. She is a Senior FSC Chain of Custody Auditor, and Forest Management Auditor, as well as a PEFC Chain of Custody and LegalSource Auditor; and has carried out audits in various countries including India, Vietnam, Papua New Guinea, Philippines, New Zealand, Australia, Indonesia, Solomon Islands, Czech Republic, Lithuania and Malaysia. Malory also works for PbN as a technical editor. Prior to joining PbN, Malory worked in natural resource management for NGOs, government, and as an independent consultant; and taught NRM in universities in Australia.

XINXIN ZHANG

Trainer in Training/ Co-Trainer

Regional Director, East Asia

Xinxin is the regional director of East Asia, responsible for business development in China, Korea, and Japan. Xinxin is a qualified FSC FM lead auditor, FSC CoC auditor, and LegalSource trainer. She had been working on FSC certification, forest legality verifications, supply chain traceability and responsible sourcing, and high conservation values forests protections for more than 15 years. Before joining PBN, Xinxin worked for Rainforest Alliance as the China country rep, WWF as a senior forest programme officer overseeing project in Africa, Russia, China, and Southeast Asia. Xinxin had also worked for IKEA as a forest specialist and China Academy of Forestry as a researcher. Xinxin graduated with master degrees on natural resources and forest management from Goettingen university in Germany and Wales University in the UK.

+ Co-presenters worldwide
