FSC® Forest Management Annual Surveillance Audit

Forêts privées certifiées du Québec

in

Longueuil, Québec, Canada

### Introduction

Preferred by Nature is conducting an FSC® forest management and chain of custody annual audit of Forêts privées certifiées du Québec located in Longueuil, Québec, Canada. The evaluation will be conducted during the week of **September 26, 2022 in Estrie** and during the week of **October 10, 2022 in Gaspésie**.

### Scope of Evaluation

The FSC® certification audit will assess the environmental, silvicultural and socioeconomic aspects of the forest management unit(s) managed by Forêts privées certifiées du Québec, using the National Forest Stewardship Standard: <https://ca.fsc.org/ca-en/forest-management#national-forest-stewardship-standard>, the Forest Management Groups Standard (V2): <https://fsc.org/en/document-centre/documents/resource/367> as well as the NEPCon interim FSC standard for the Great Lakes/Saint-Lawrence region, Canada <https://preferredbynature.org/library/standard/nepcon-interim-fsc-standard-great-lakes-saint-lawrence-region-canada-french>.

Information on this FSC certificate holder is available on FSC's website: <https://info.fsc.org/details.php?id=a024000005sUH4AAM&type=certificate>.

Preferred by Nature is accredited by the Forest Stewardship Council® (FSC) and this evaluation will follow procedures which have been approved by the Forest Stewardship Council®.

### Team Composition

Olivier Massicotte-Dagenais, F. Eng., will conduct the audit.

Date of notice : August 10, 2022

## Steps and Schedule

Following is a short description of the evaluation process and a tentative agenda:

- Stakeholder and Indigenous communities/peoples' consultation – Throughout the week of September 26, the team will contact local stakeholders and indigenous communities/peoples regarding the forest management activities of the certificate holder in communities. This can include private interviews and discussions as well as public meetings.
- Field visits – During the week of **September 26**, the audit team will conduct field visits of recent and active forest management operations on the certified area in Estrie. Field visits for the Gaspésie area are planned during the week of **October 10<sup>th</sup>**.
- Final evaluation briefing – Prior to departure the team will meet with the certificate holder's forest managers and other parties to finalize their data collection and present preliminary findings.
- Draft report production – The audit team will produce a confidential draft report that will be circulated for comment to the certificate holder. This should occur within one month after completion of the evaluation.
- Certification decision – Upon receipt of comments on the draft report from the certificate holder forest managers, and other general stakeholder and indigenous communities/peoples comments, Preferred by Nature will reach a certification decision. Barring unforeseen obstacles, this should occur by **end of December**.

## Your Comments Sought

As a part of the audit process, we invite stakeholders and indigenous communities/peoples to offer comments on the certificate holder's forest management activities in relation to conformance with the requirements of the forest management standard referenced above. **We welcome input, either public or confidential.** Your input will be valuable at any stage of the process, but we would prefer to receive your comments before the end of the on-site audit so that we can take them into consideration in reaching a certification decision. Your options for communicating your comments are as follows:

1. Meet with a Preferred by Nature audit team member before or during the audit.
2. Send comments to the Preferred by Nature staff person responsible for coordinating this audit (see contact info below) or

**Unless you request otherwise, these comments will be kept confidential,** available only to FSC and Preferred by Nature staff.

Preferred by Nature's complaints, appeals and dispute resolution policy is available to stakeholders and indigenous communities/peoples at [www.preferredbynature.org](http://www.preferredbynature.org).
