C. Audit Findings

Audit Conclusion:	
Organisation approved: No non-conformances issued	V
Organisation not approved: Conformance with MAJOR non-conformance(s) required	
Additional comments: None	

Non-Conformances

Non-conformance reports (NCRs) describe the non-conformances identified during audits. NCRs include defined timelines for the Organisation to demonstrate conformance. MAJOR non-conformances issued during assessments/reassessments shall be closed prior to issuance of the certificate. MAJOR non-conformances issued during annual audits shall be closed within the timeline specified in the NCR, or result in certificate suspension. Where applicable, all non-conformances against standard requirements are shown below:

None

Observations

Observations (Obs) are issued for the early stages of a problem which does not in and of itself constitute a non-conformance, but which the auditor considers may lead to a future non-conformance if not addressed by the Organisation or where general improvements may be made. Where applicable, all observations are shown below:

None

D. Closed Non-Conformances

Closed Non-Conformances

This section indicates where the Organisation has adequately addressed non-conformances issued during or since the last audit.

Any non-conformances which cannot be closed remain open and appear in Section C (above). Failure to comply with a minor non-conformance results in the NCR being upgraded to major; the specified follow-up action is required by the Organisation or involuntary suspension will take place.
